

Casa Caramelo

CaboSan Lucas-Pedregal

5 BEDROOMS/ 10 SLEEPS / 6 BATHROOMS

The Space

2020 remodeled villa with new custom furniture, five star hotel bed linens, and two sprawling terraces of both the Sea of Cortez and the Pacific Ocean, **Casa Carmelo** welcomes you to your very own custom vacation, holiday or event to remember! Perched upon the exclusive Pedregal mountain, this beautiful home has open format living areas, large outdoor patios for every private bedroom (all kings), and gorgeous ample outdoor space for taking in the healing ocean breeze and Cabo sun. This 7000 square foot home is one of the few that offers unsurpassed views of the Pacific Ocean, the Sea of Cortez and the magnificent city lights of Cabo San Lucas!

Two Large Terraces with Unmatched Views of the Sea of Cortez and Pacific Ocean: The 2000+ square foot upper outdoor terrace provides two pools (one infinity pool with hot tub overlooking the Sea of Cortez and one lap grotto pool), a large covered dining area under the palapa with full outdoor kitchen and ample area for entertaining. For nighttime gathering, this terrace has a large permanent limestone fire pit that easily accommodates all of your guests. Recently added in October 2021, the home also has a new 1000 square foot terrace facing the Pacific Ocean to watch the beautiful Cabo sunsets, whales, or just relax and take in the sounds and views of the aqua blue Pacific.

Bedrooms

—**Five Master Suites:** The home has five master bedrooms, each with its own terrace. The first floor consists of two king bedrooms with private baths and outdoor terraces. These bedrooms are ideal for people who may need to wake up early and go fishing without disturbing the rest of the guests in the house.

The second floor also provides two master king bedrooms with private baths and outdoor terraces. One of these master suites room offers a connecting TV/family room. Second floor also provides an enormous shaded outdoor living / entertaining area.
