

Villa Savina

Cabo San Lucas-Pedregal

7 Bedrooms/ 16 Sleeps / 7.5 Bathrooms/ Ocean Front

The Space

A contemporary masterpiece of design, SAVINA is a prestigious hillside villa in the heart of Pedregal that offers unparalleled views and a fully staffed, smart-home experience featuring high-end technology and Kiehl's amenities. This expansive five-level residence features seven luxurious bedrooms with ensuite bathrooms and private ocean-view terraces, including dual master suites with a suspended sunset terrace and a garden bedroom that opens onto a sprawling lawn with a putting green and bocce ball court. The main level serves as the ultimate social hub with gourmet indoor and outdoor kitchens, dining for 16, and an 80-foot cobalt blue infinity pool and spa, while the lower levels provide specialized spaces such as a high-tech business center and a 600-square-foot ocean-view gym. From the rooftop fire pit to the meticulous minimalistic style, SAVINA provides a secluded, luxurious alternative to crowded resorts for those looking to relax and recharge in total excellence.
