

Casablanca

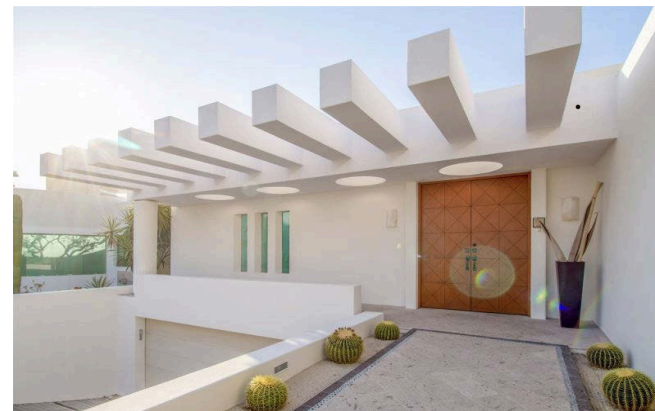

Cabo San Lucas

5 BEDROOMS/ 11 SLEEPS 55 BATHROOMS / OCEAN FRONT

The Space

CasablancadeCabo is an exquisite beachfront villa, featuring 5,808 square feet of air-conditioned space with five beautifully appointed suites and five and one-half marble and granite bathrooms. The tastefully decorated living room, dining room, and master bedroom pocket doors open up completely allow unobstructed views of the Sea Cortez. The beautiful different blue shades of the ocean, infinity-edge pool, Jacuzzi and white sandy beach will make you forget you are in the desert.

For those who love to cook, the state-of-the-art kitchen with a granite island is the perfect place to prepare some local fare. Alternately, there is the option of sliding the kitchen glass doors closed and relaxing under the poolside palapa while your chef prepares a delectable meal for you and your guests. For those traveling with smaller children, the pool has a large shallow area perfect for the little ones. Private access to the beach, poolside shower, palapa & bbq area make this home hard to leave. We suggest not to plan too many activities outside your rental home as you truly will want to have everything brought in for you.
