The Space

A breathtaking new villa blending contemporary architecture, luxurious finishes and French-Moroccan style, **Maison de Cortes** welcomes you to enjoy a vacation retreat of incomparable sophistication. This remarkable refuge offers guests the utmost privacy, comfort and relaxation. Every detail has been meticulously curated to create an exceptional atmosphere.

Two breathtaking terraces offer inviting outdoor living areas. One terrace is situated in the main floor, featuring both covered and open areas, an elegant pool and jacuzzi, an outdoor pizza oven, a teppanyaki grill and a deck facing the sea. The other terrace is located at the lower level and features a bar, lounge area, infinity pool with sunbathing area and stunning ocean views.

Inside, you'll appreciate the outstanding detail and amenities throughout the villa including a state-of-the-art wine cellar, gourmet kitchen and full butler's kitchen, fitness room, sauna, home theater and more. The spectacular bedroom suites surround you with elegant style. When you're ready to explore the wonders of Los Cabos, you're just minutes to the heart of Cabo San Lucas and the area's best activities. Unwind as you enjoy breathtaking ocean views from this stunning sanctuary.
