

Casa Turquesa

Cabo San Lucas - Pedregal

10 BEDROOMS/28 SLEEPS/12 BATHROOMS AND 3 HALF BATHROOMS/ OCEAN VIEW

The Space

One of Pedregal's brightest stars is the magnificent. **Casa Turquesa**, situated on a cliff overlooking the Pacific, 350' directly above the beach. It has 15,000 square feet of elegant indoor space, and another 10,000 square feet of private, spectacular outdoor amenities. Its graceful, flowing architecture reveals expansive living areas, luxurious furnishings, and exceptional amenities throughout.

Feel the cool Saltillo tile underfoot as you stroll through this spacious estate. Enjoy an early outdoor breakfast and then a little private practice on your own putting green. Schedule a rousing shuffleboard competition after lunch. Hold a late-night movie marathon in the theater room. End your day with a steam bath in the primary suite.

No matter where you are at **Casa Turquesa**, there is room for everyone. The main terrace area includes a large infinite-edge lap pool with swim-up bar, shade structure, lounge chairs, and outdoor dining space for up to 60 guests. Enjoy gorgeous blue-water views, fresh breezes and stunning skies from every vantage point.
