

VILLA ENCANTADA

CaboSanLucas - Pedregal

6 BEDROOMS/ 14 SLEEPS /10 BATHROOMS / OCEAN VIEW

The Space

Casa Encantada truly lives up to its name, with multiple levels of scenic terraces offering enchanting ocean and mountain views. This brand new glamorous luxury villa completed in 2021 features an appealing blend of stunning architecture, exceptional amenities, and an excellent location in Cabo's private Pedregal community. Whether you relax in one of the two swimming pools, sip a drink at your swim-up bar, unwind in one of the two jacuzzis (both) with a waterfall, or gather with friends for conversation at sunset next to one of 4 fire pits, you're in for the vacation of a lifetime at this

spectacular

retreat.

You and your guests will be captivated by the attentive eye for design throughout this beautiful vacation home, with handcrafted details throughout including granite counters, elegant furnishings (including several antique pieces), original artwork, and a waterfall wall. Enjoy your ocean-view exercise room situated in one of the guest rooms, an indoor-outdoor spa room, billiard, and shuffleboard tables.
