

Alcini

8 BEDROOMS/ 16 SLEEPS / 8 BATHROOMS / OCEAN FRONT

The Space

Experience a truly luxurious Cabo getaway when you stay at Casa **Alcini**! Located in the private community of Pedregal, this spectacular beachfront property is popular with celebrities. With nearly 7,000 square feet of stunning design and decor, 8 bedrooms, 8 bathrooms, there is more than enough room for you and your guests at Casa Alcini. Wake up each morning and be steps away from the shoreline where the waves of the Sea of Cortez meet the sandy beach.

The main living area opens out onto a grand terrace, complete with all the outdoor amenities you could need, such as a stunning infinity pool, Jacuzzi, and fire pit. Easily entertain your guests out on the terrace by grilling up a delicious meal on the barbecue and serving it at the outdoor dining table.

From the exterior, Casa Alcini has a southwestern flavor with cacti and other natural flora. A water feature contrasts the arid landscaping and makes for a momentary escape just prior to entering the house.

Bedrooms

Six of the bedrooms found at Casa Alcini feature a picturesque ocean view and their own ensuite bathrooms, while the seventh and eighth bedrooms can be found in the separate guest casita with a shared bathroom. For your comfort, all eight bedrooms of Casa Alcini have been outfitted with lavish linens and plush cushions to provide you with the best night's sleep.
