

Villa Marcella

Breathtaking Private Beach Front Villa

5 BEDROOMS / 14 SLEEPS / 7 BATHROOMS

The Space

Step directly onto the sands of one of Cabo San Lucas' most private and unspoiled beaches from this magnificent, 10,000 + square foot beachfront luxury estate. Situated on the Pacific side of the gated Pedregal community and surrounded by natural granite rock formations and coconut palms, Villa Marcella offers more than you can imagine in grandeur and privacy. This is the epitome of a vacation dream home but is still only one mile from downtown Cabo's fine dining and nightlife.

Villa Marcella's elegantly flowing old-world architecture encompasses spacious living areas with exquisite amenities, including a massive marble fireplace, state-of-the-art lighting system, granite counters and Egyptian travertine-marble floors throughout. Spacious bedrooms feature king-size beds, private baths, and ocean/beach views. The villa floor-plan including an entertainment/media/game room complete with full-size billiard table, full bar and a formal living & dining room, makes this villa perfect for parties, or just secluded privacy with family and friends.
